2026 International Tax Student Case Competition Sponsorship Opportunities & Benefits

For the past three years, Tax Executives Institute has held an International Tax Student Case Competition to inspire students in the development of a passion for taxation. The Case Competition brings together tax student teams from universities all over the world, mentors from the TEI membership, practitioners, and judges for an exciting weekend of studying, collaboration, and connection.

We are excited to return for our fourth Case Competition **August 13-15, 2026** at the Gowling WLG law offices in beautiful Montreal, Canada. TEI invites organizations to join and sponsor this special event. The Case Competition provides a unique opportunity to show your organization's support for this global initiative and raise your organization's profile in the tax student tax community. Sponsoring organizations will also be invited to collaborate with TEI's Level Up Series which hosts webinars focused on students and young tax professionals throughout the year.

Sponsorship opportunities range from \$2,500 USD/\$3,3500 CAD to \$5,000 USD/\$6,750 CAD, and are available on a space available basis. For more information, contact Amanda Sturdevant, TEI's Director of Sponsor Relations, at asturdevant@tei.org.
