

Connect. Engage. Impact.

2026 Annual Conference

Grand Hyatt Nashville
October 18–21

ADDITIONAL SPONSORSHIP OPPORTUNITIES

Charging Stations, 2 available (\$2,500 each)

Your firm will be the hero of the conference by providing a charging station in the exhibit area. The area in blue in the picture can be customized with your branding, and TEI will encourage attendees to use the charging stations via multiple push notifications throughout the event.

Conference Lanyards (\$5,000)

Place your company name, logo or other branding around the necks of all conference attendees! TEI will provide conference lanyards and ask that you provide your art files by an agreed upon deadline. TEI will print and distribute the lanyards. This opportunity includes recognition in the conference app and printed signage.

SOLD

Hotel Room Keys (\$5,000)

Put your company name, logo or other branding in the hands of all conference attendees by customizing their room keys! TEI will provide art specs for the keys and ask that you provide art files by an agreed upon deadline. The hotel will distribute the room keys to attendees upon check in. This opportunity includes recognition in the conference app and printed signage.

SOLD

Tuesday Reception Entertainment (\$5,000)

We can't have a party without a band in Nashville! TEI will source a band for the Tuesday evening reception and make sure everyone knows who sponsored it with signage, attribution on the conference agenda and push notifications. We will thank you profusely, loudly, and often, everywhere we can! We're happy to split the cost between two firms if needed.

Photo Booth at the Gala Reception (\$5,000)

Create timeless memories with attendees by sponsoring the Photo Booth at the Gala Reception. This opportunity includes recognition via an announcement, printed signage, mention in the conference agenda, and your logo (or other image of your choice) on every photo printed.

Special Break or Breakfast (2 available)

Think Smoothie Station or Popcorn Cart! TEI and the hotel will work with you to craft a special break or breakfast experience in order to shine a spotlight on your firm. This opportunity includes recognition in the conference app and printed signage. This opportunity requires a quote from the hotel as prices vary.
