***TEI – Craig Schmidtgesling Excellence in Tax
Scholarship Golf Outing
August 24, 2026
Beavercreek Golf Club***

Since its inception, TEI's Craig Schmidtgesling Excellence in Tax Scholarship Golf Outing has raised over \$100k to provide scholarships for local college students. We would like to continue the scholarship offerings and have planned a fun afternoon to raise money toward that goal.

1. The Company Challenge:

- Contributing companies - \$1,100 - will participate for the Challenge Trophy.
- Each team includes two members from the firm and two clients or prospective clients
 - If any assistance is required finding TEI members or prospective clients to complete their foursome, please contact Jay or Scott below.

2. TEI Member and Guest Competition:

- Members and their guests can register individually - \$100 or as a foursome - \$400.

3. NEW for 2026 - Lunch / Awards Sponsorship Opportunities:

- This year we are excited to introduce two featured sponsorship opportunities to contribute to the most visible moments of the day — lunch or the post-golf reception. For \$2,000, sponsors will receive one foursome, highlighted event recognition, and the opportunity to showcase its support of the tax community while helping TEI raise even more scholarship dollars for local students.

Past Champions

<i>Year</i>	<i>Sponsor Challenge</i>	<i>TEI Member Competition</i>
